Notification dated 10th September 1935.

Sealed tenders will be received in the office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 2 P.M. on the 2nd October 1935, for conveying materials required for the Electrification of Shimoga Town and etc.

2. The tenders should be superscribed " Tenders for conveying materials required for the Electrification of Shimoga Town due at 2 P.M. on the 2nd October 1935 " and should be accompanied with earnest money of Rs. 100. The earnest money should be sent separately by registered post and should be either in currency notes or cheques drawn on the Mysore Bank, Bangalore, or the Imperial Bank of India, Bangalore.

3. When once the tender is accepted no special rate will be given on any representation whatever.

4. The contractor may use any means of conveyance for the transportation of the materials, but will be paid only on unit basis.

5. The materials will have to be carted from our Departmental Stores at Bhadravati or from Bhadravati, Shimoga and Bidare Railway Stations or stock-yard to the workspot along the route from Bhadravati to Shimoga Town and at places pointed out by the officer-in-charge within and beyond Shimoga Town limits.

6. The materials to be carted consists of 30′ and 35′ baliga poles, steel poles of 36′, " A " frame structures, copper wire, insulator crates, ground wire, 24′ and 30′ rails and other miscellaneous materials.

7. The rates to be tendered, shall be in the following form and rates entered in words and figures for each item.

Sl. No.	Details	Unit	Rate per mile	
			Road	Cross Country
1	30′ and 35′ baliga poles	Each		
2	Steel rails of 24′ and 30′	do		
3	36′ Metur Steel poles, (Weight about 380 lbs.)	,,		
4	" A " frame structures. (Weight about 1,600 lbs.) ..	,,		
5	Insulator crates (5 insulators per crate)	,,		
6	All other miscellaneous materials such as copper wire, ground wire, etc.	Ton.		

8. The Chief Electrical Engineer is at liberty to accept one or more tenders, as he deems fit reserves the right to reject any or all the tenders without assigning any reasons therefor. He is at liberty to transport the materials by the Departmental lorries, hand-carts or by head-loads, and the contractor cannot claim any compensation on that account.

9. On receipt of communication of the acceptance of tender, the tenderer will be required to deposit a further sum of Rs. 150 and execute an agreement with the Department to guarantee satisfactory execution of the contract.

10. The accepted tenderer should arrange to post his representatives at the places from which the materials have to be carried, after furnishing this Department, the name and identification, to take instructions from the Departmental officers for the carting and should have carts ready within 24 hours notice. In case of failure, the Department will make their own arrangements for carting the materials and any extra cost incurred thereby, will be recovered from the contractor.

Contract will also be liable to be terminated at the discretion of the Chief Electrical Engineer, if the conditions of the contract are not fully complied with and the earnest money deposited will be forfeited to Government.

In all cases of dispute the decision of the Chief Electrical Engineer shall be final.

R. RAMAKRISHNA,
For *Chief Electrical Engineer.*
